Derek -

Craig's message of a few minutes ago should explain. (Jana at Techlaw wasn't able to open some of the
files that Craig sent.)

Hi Wayne,

I received the message below. Looks like you were trying to send me something and your message was
blocked.

RESRAD files have regularly been blocked to DOD addresses and we have to transmit them by other means.

Please resend...maybe in pdf??

Thank you,

Derek

An email addressed to you has been quarantined by Department of Defense (DoD) Email Security policy
preventing specific file types from being delivered to DoD Email addresses. If you believe this action
was done in error, contact the email sender to resend the message. Any additional questions or concerns,
please open a ticket with your local service desk for resolution.
